UNSTARRED QUESTION NO:339
ANSWERED ON:02.12.2004
SETTING UP OF SLEEPER MANUFACTURING UNITS
Jha Shri Raghunath

**Will the Minister of RAILWAYS be pleased to state:**

(a) whether there is a regional imbalance in the sleeper manufacturing unit;

(b) if so, the action does the Government propose to remove the said imbalance and to set-up sleeper manufacturing units in Bihar and such other States where there are no railway industries; and

(c) the details of the existing slipper manufacturing units in the country?

## Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS ( SHRI R. VELU )

(a) Sleeper manufacturing units are located based on railways need of sleepers in particular area, availability of land, availability of raw materials, feasibility of putting railway siding etc. and not on regional considerations. Most of the existing plants were set up long back and were considered adequate to meet the prevailing need of sleepers. However, due to reorganization of Railways and sanction of new projects some of the Railway zones have become deficient in respect of production of sleepers and some have become surplus in production.

(b) Proposal for setting up new concrete sleeper manufacturing unit at various locations including two plants in East Central Railway falling in Bihar is under consideration of Railway Ministry.

(c) There are 79 concrete sleeper plants scattered over 16 Zonal Railways, out of which 2 are departmental sleeper plants, one belongs to Public Sector Undertaking under the Ministry of Urban Development and 76 plants of private manufacturers. The details of 79 plants (Railway-wise) are placed at Annexure-I.

Annexure-I

Annexure referred to part-(c) of unstarred Q. No. 339 to be answered in Lok Sabha on 02-12-2004 asked by Shri Raghunath Jha regarding setting up of sleeper manufacturing units.

LIST OF CONCRETE SLEEPER PLANTS

| | | |
|---|---|---|
| CENTRAL RAILWAY | Location | Controlling Railway |
| 1 Alpine Housing Development Corpn. Ltd. | Wadi | CR |
| 2 BEMCO Sleepers Pvt. Ltd. | Khandwa | CR |
| 3 BEMCO Sleepers Pvt. Ltd. | Nandgaon | CR |
| 4 Concrete India | Lonavla | CR |
| 5 Daya Engineering Works (Poles) | Daund | CR |
